2022 Kiwi Competitions in English, Mathematics & Science

The University of Canterbury is offering your child the opportunity to participate in the Kiwi Competitions for English, Mathematics and Science. These competitions take place annually and are designed by New Zealand teachers for New Zealand students based on the New Zealand Curriculum.

The competitions are open to all Year 5 and 6 students in English, Mathematics and Science. Each Competition costs \$9.50 including GST. Students can enter in one or more subjects. This year the competition will provide parents with an Individual Pupil Report of their child's performance. The supervised online tests will take place in the last 3 weeks of Term 2 and the first week of Term 3.

All participating students will receive a certificate and prizes will be awarded to top students.

NOTE: Kiwi competitions policy is **not** to release test papers. The tests are provided primarily as a competition and not as a teaching or study resource. We **do not** have access to any previous competitions due to these being administered online.

If you would like your child to participate, please fill in the google form linked below and provide payment by Friday 29 April. Please note **late entries will not be accepted**.

- Complete this form to register your child: [Google Form](#)
- Payment can be made to **Eastern Hutt School Board of Trustees Account 12-3478-0009657-00**. Please use your child's name and 'Kiwicomp' reference.

If you have any further queries please email me at hwalshe@easternhutt.school.nz
