

### Primary Snow Skiing Champs

The following students had great success at the North Island Primary Skiing Champs on Monday 2 September. Libby Patrick 85<sup>th</sup>, Sophia Kerr 114<sup>th</sup>, Lucas Akers 54<sup>th</sup> and Belinda Chapman. Many thanks once again to Lisa Patrick and Kate Chapman for organizing this event. Happy Birthday to Belinda who celebrated her 11<sup>th</sup> birthday on the slopes.

### Touch Rugby

Touch Rugby is one of New Zealand's highest played team participant sports. It is great for children, developing ball skills, footwork, fitness, fosters teamwork, and the non-contact nature of touch means that the risk of injury is low. Above all it is FUN. Eastern Hutt has been part of this league for over 10 years, it continues to provide a high quality, reliable, consistent and enjoyable experience for all levels.

All Year 3-6 Touch Rugby Teams are about to be re-registered for term 4. At this stage the teams remain the same, with the same coach and manager. It is important if your child is currently in a team and is now unable to play in the Term 4 league, that you let Julie Cameron know, as there has been a lot of interest from students who missed out in Term 1. Please email Julie Cameron, [pkandjc@xtra.co.nz](mailto:pkandjc@xtra.co.nz) if your child would like to play.

There is NO payment due for those who are already registered, as this was made with your Term 1 subs.

Season dates are as follows for those who are interested:

Friday 1<sup>st</sup> November to 6<sup>th</sup> December

Playing times from 4:00pm to 5:30pm.

Managers will be in touch with teams, closer to the time.

### Tennis – Term 4

We have the annual Year 5 and 6 Primary Schools Tennis Championship coming up on Thursday 17<sup>th</sup> October, postponement Thursday 24<sup>th</sup> October. If you feel your child would be eligible for this event, please contact Julie Cameron via email ([pkandjc@xtra.co.nz](mailto:pkandjc@xtra.co.nz)) by 20<sup>th</sup> September. If you have a Year 4 child who you believe is an extremely competent player, please ring me to discuss the option of them entering this tournament. (0297721221) Your child must be able to serve competently, perform a forehand and backhand efficiently, conduct a reasonable rally and know how to score a game. It is preferable that they play Inter Club Tennis, but not essential. If you are unsure, please ring me.

This is NOT a tournament for beginners. The Tournament does have a restriction on numbers. Should an excess of entries be received, spots will be given in order of the child's configure ranking.

I will require the following information:

Name

Club(if applicable)

Configure Ranking

Parents are required to be at the tournament during the day, and are responsible for the welfare and care of their child.

The top 2 boys and 2 girls go through to the Central Regional Final in Palmerston North at the Manawatu Lawn Tennis Club on Wednesday 6<sup>th</sup> November.

## **South West and Inter Zone Swimming Results**

Congratulations to our team of 12 students, with all students progressing to the Inter Swimming Zone Competition. This makes history for Eastern Hutt, the second consecutive year, every student has progressed to the next level of competition. A magnificent effort. Go EHS

We would like to thank Maree and Will Robertson for managing our team while at the events, a huge task when you are responsible for making sure every student makes the appropriate race at the appropriate time! We would also like to thank our parents who transported the team to and from Huia Pool and those who took on the role of time keepers during the day. With your generous support, it enables our students to enter in to these sporting events.

I would like to make special mention of our swimmers who competed in the Open Events, as they competed against Year 7 and 8 Swimmers. Some were twice the size of our swimmers!

## **Badminton**

We would like to thank our parents for supporting this league and managing our school badminton teams this term. The children have certainly grown in their confidence, skill level and knowledge of the game. I too have enjoyed watching the students play on a Tuesday afternoon at Badminton Hall and having the odd hit with them! Good luck with your final few games.

## **Maungaraki Football Exchange**

Eastern Hutt 8 – Maungaraki 1. It was a great game well done boys. We have more exchanges to look forward to. Thank you to Greig and Olly for coaching this team.

### **Tiki Shield Update**

This year it is our turn to travel to Waterloo School for the annual Tiki Shield. It will be held on Friday 18th October. This event is always an amazing experience for both the students and spectators. It provides an opportunity for us to show school spirit and pride and to represent EHS in a sport they excel at. We will be playing rugby, football, Year 5 and Year 6 Netball and mixed basketball. Notices will go home before the end of term, to those students who are involved in the Tiki Shield. If your child is unavailable can you please send an email to Julie Cameron [pkandjc@xtra.co.nz](mailto:pkandjc@xtra.co.nz)

### **Tiniball and Miniball**

Good luck to our basketball players, who are moving into their final few matches of the term. Tiniball finals are the 16th September and Miniball finals are the 19th September. A huge thank you to our coaches and managers, Sam Grimmer, Scott Ashton, Karl Lawrence, Heather Kimber, Laura Evans and Helen Brown. Their dedication, knowledge and enthusiasm of the game has ensured Eastern Hutt continues to produce many talented players with a love of the game.

The students have grown so much in their skills and knowledge of the game, due to their patience, humour and expertise.

### **Uniforms**

All uniforms must now be returned, with the exception of those students who are involved in the Tiki Shield. Just a reminder, netball uniforms (with the exception of Jenny Trenberth and Danielle Lloyd-Tolley's team) are to be returned to Jess White in B1. Please ensure all uniforms are named, so your child can be marked off.

### **Thank You**

We would like to take this opportunity to thank all our families who support our children in sport. The generosity and kindness of our coaches and managers does not go unnoticed. We couldn't do it without you, we are forever grateful each term, when we receive such a positive response to our calls for help as are our children. Thank you to everyone who continues to turn up each week to support and encourage our students from the sidelines.

We make a very special mention of one of our parent netball coaches. Jenny Trenberth has been involved in sport and in particular netball for over 6 years here at Eastern Hutt and in the wider netball community. We would like to say thank you Jenny for all you have done to help grow Netball and provide such positive experiences for those involved. We are so very fortunate in having had her expertise, skill and time during the netball season.
