

Sports Wrap-Up – Term 3

Here is the wrap up of sports for term 3 at Eastern Hutt School.

Cross Country

We would like to take this opportunity to wish Will Ashton all the best with his Inter Provincial Cross Country Championship in Nelson on 26th September. Will, we know you have worked extremely hard to make it this far and will give it everything you've got. Eastern Hutt will be cheering you on.

South West and Inter Zone Swimming Results

Congratulations to our entire team of 14 students, with all students progressing to the Inter Swimming Zone Competition. This makes history for Eastern Hutt, the first time ever, every student has progressed to the next level of competition. A magnificent effort. We would like to thank Teresa and Martyn Cherry and Maree and Will Robertson for managing our team while at the events, a huge task when you are responsible for making sure every student makes the appropriate race at the appropriate time! We would also like to thank our parents who transported the team to and from Naenae Pool and those who took on the role of time keepers during the day. With your generous support, it enables our students to enter in to these sporting events.

Touch Rugby Registrations Year 4-6

All teams who played in Term 1, have now been re-entered into Term 4's Competition. An updated team list will be sent to all coaches and managers over the next couple of weeks. Managers will then forward the team list through to all team members. Remember there is no cost, you have already paid in Term 1.

We have received a number of students who are interested in playing Touch Rugby in Term 4, who are NOT already part of a team. We are happy to announce that we are allowed to enter more teams into the afterschool league. If your child is interested please click the link below and complete the details. There is a cost of \$20. This must be paid when your permission slip is returned to the school office. Please keep in mind, that teams will be entered dependent on the number of entries we receive.

On Friday 21st September, we participated in the Lower Hutt Girls Futsal Tournament, held at Walter Nash Stadium. This was a great opportunity for our senior girls to experience a different sport. The smiles on their faces at the end of the day, demonstrated what a success it had been, a festival of sport, where they could learn and develop skills in a non-threatening and fun environment. Thank you to our coaches Ryan Trenberth, Aneesha Phogat and Adam Cooper for their coaching expertise during the day.
