## Out of Zone Enrolment Procedure

Eastern Hutt School has an enrolment policy in place. Students who live in the home zone are automatically entitled to enrol at the school. Students living out of the zone who wish to enrol are subject to the procedures defined by the Education Act.

Enrolment of out of zone pupils will be accepted in the following order:

- |                        |   |
|------------------------|---|
| <b>First Priority</b>  | this priority is not applicable at this school because the school does not run a special programme approved by the Secretary. |
| <b>Second Priority</b> | will be given to applicants who are siblings of current students  |
| <b>Third Priority</b>  | will be given to applicants who are siblings of past students   |
| <b>Fourth Priority</b> | will be given to applicants who are children of board employees   |
| <b>Fifth Priority</b>  | will be given to all other applicants   |

In situations where the number of applicants exceeds the number of places available for out of zone students, selection will be by ballot. If a ballot is required at our school it will be held on a nominated date and will be supervised by a Justice of the Peace, (or as appropriate, a practising lawyer or a sworn member of the police). Within three school days of this date, the school will send you a letter informing you of the outcome of the ballot. If your application has been successful, you will be asked to confirm your acceptance or rejection of the offered place within 14 days of the date on the school's letter. If you do not respond within the 14 day period, the place will be offered to the first person on the waiting list established by the ballot.
